These private homes come with five-star concierge services that take care of everything from planning itineraries to stocking the refrigerator and wine cellar. When you join Ultimate Resort, you escape all of the responsibilities of vacation home ownership and the hassles of travel planning. Your vacation time is finally your own – to spend on the activities you enjoy, in the places you desire and with the people you love.

Our elegantly appointed private homes are wonderfully equipped so you never compromise on any aspect of your lifestyle. Most residences feature:

- Three to five bedrooms
- Exquisite décor
- Spacious living areas
- Outdoor gathering places (many with private pools or hot tubs)
- Top-of-the-line appliances
- Private wine cellar
- State-of-the-art technology, such as plasma TV's, high-speed Internet access, video game entertainment centers and integrated audio and surround-sound stereo

In addition, you'll receive the pampering concierge services of a fine hotel. How do you want your residence appointed upon your arrival? We'll personalize your home by making certain you have mountain bikes, ski equipment, fishing poles, and pool toys – anything you need to make your stay more enjoyable. What favorite foods do you prefer in your refrigerator? We'll stock the kitchen and bar prior to your arrival. What are your favorite activities? We'll arrange snorkeling expeditions, purchase ski passes, reserve theater tickets and confirm dinner reservations. You need only arrive and enjoy.

### A Unique Opportunity

Ultimate Resort is a private membership club. Never before has a non-member had the opportunity to trial the club's beautiful luxury residences, world-class amenities and five-star services. As a strategic partner of Ultimate Resort, Bruce World of Travel can now offer Preview Memberships which allow their clients to enjoy a 3, 5 or 7 night stay in an Ultimate Resort residence – with all the service and amenities of full club membership. Please note that only one Preview Membership is available per family.

### Which Club is right for you?

The main difference between the Ultimate Resort and the Ultimate Resort ELITE club is real estate value: Ultimate Resort Club homes average around \$1.5 million, while the Ultimate Resort ELITE average is \$3 million. Typically this will be reflected in size of the home, fittings and finishes, and/or proximity to the beach or ski slope.
